

New Plant Presentation

2024-2025 Season

WaltersGardens

'Firefly Fuchsia'

Achillea PPAF CPBRAf

Yarrow

Height: 30" | Width: 34" | Zones: 3-8

Size: #1 Grade Bare Root, 72ct Liner

- Rich fuchsia pink flowers on upright habit
- Fills "pink" category in Firefly collection from discontinued 'Firefly Amethyst'
- Silvery green foliage

Achillea 'Firefly Fuchsia'

'Firefly Red Pop'

Achillea PPAF CPBRAE

Yarrow

Height: 24-28" | Width: 24-28" | Zones: 3-8

Size: #1 Grade Bare Root, 72ct Liner

- Bright cherry red flower clusters
- Small yellow eyes become more prominent as the petals age
- Mid-season- in peak during the heat of the summer

'Pinky Pie' *Agastache* PPAF

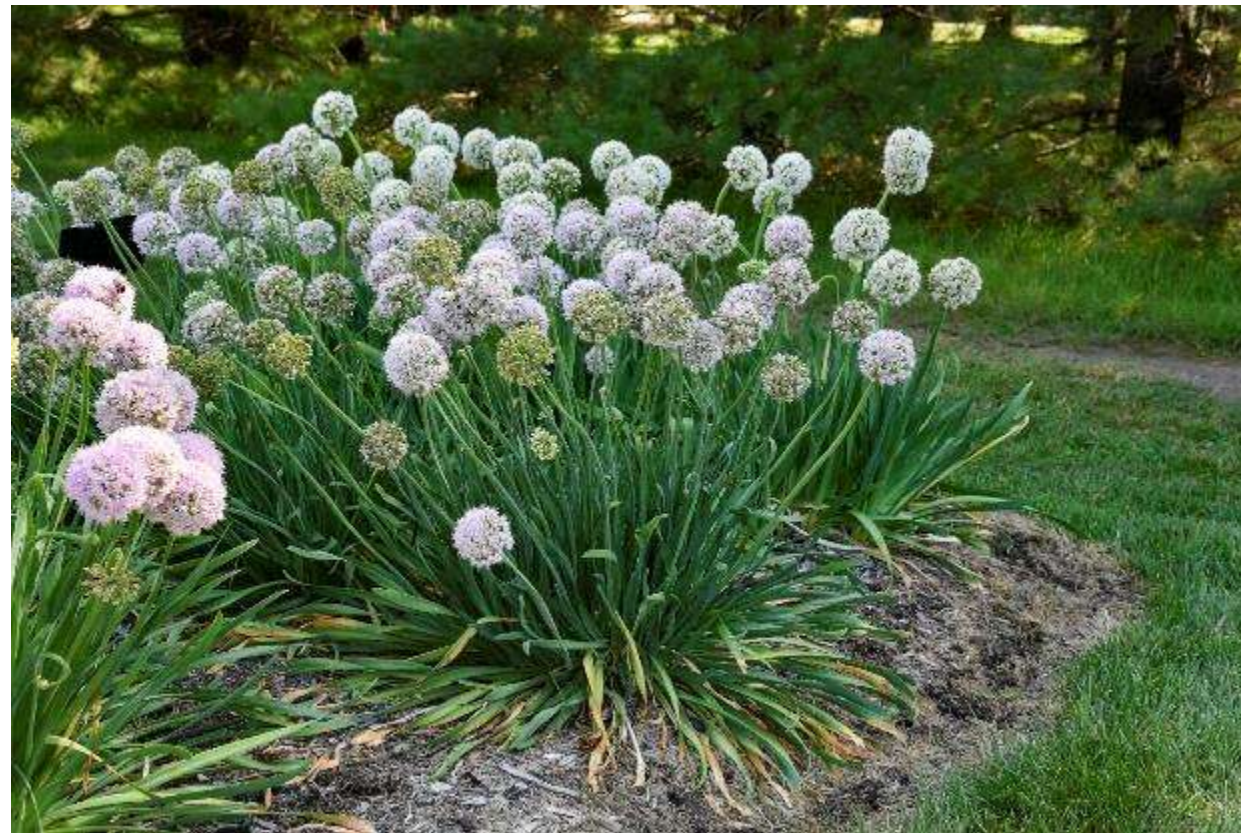

Hummingbird Mint, Anise Hyssop
Height: 18-20" | Width: 24-26" | Zones: 5-9
Size: 30ct & 72ct Liners

- Compact lavender with apricot buds
- A match with 'Rosie Posie', 'Mango Tango', 'Guava Lava', and 'Peachie Keen'
- Moderate size, well rounded, in peak
- Excellent native perennial for attracting pollinators and hummingbirds

Agastache 'Pinky Pie' field trial

'Bobblehead'

Allium PPAF CPBRAE

Ornamental Onion

Height: 30-32" | Width: 24" | Zones: 4-8

Size: #1 & #2 Grade Bare Root

- Pale lilac flowers
- Very wide, glaucous blue, twisty foliage, strappy
- Early to flower – blooms ahead of 'Millenium'
- 3-3½" globes

Summer Break

Alstroemeria ('Tessumbreak')

Peruvian Lily

Height: 36-42" | Width: 30-36" | Zones: 6-9

Size: 30ct & 72ct Liners

- Floriferous, medium pink with a white throat
- Midsize, strong stems
- Has overwintered 4+ years in Zone 6 West Michigan
- New genus for Proven Winners Perennials

Summer Breeze

Alstroemeria ('Teshunte' PP26382)

Peruvian Lily

Height: 36-42" | Width: 30-36" | Zones: 6-9

Size: 30ct & 72ct Liners

- Each flower is a blend of colors, with sunny yellow centers, peach petals, and apricot backs.
- Dark foliage has purple-black tones which further illuminate the blooms.
- Best in well drained soils with moderate to consistent moisture.
- Has overwintered 4+ years in Zone 6 West Michigan

Alstroemeria Summer Breeze late season color

PW
PROVEN
WINNERS[®]
The #1 Plant Brand.™

Summer Heat

Alstroemeria ('Tessumheat')

Peruvian Lily

Height: 36-42" | Width: 30-36" | Zones: 6-9

Size: 30ct & 72ct Liners

- Large flowered red with a yellow central flare
- Midsize
- Has overwintered 4+ years in Zone 6 West Michigan
- New genus for Proven Winners Perennials

'Victoriae'

Athyrium filix-femina

Lady Fern
Height: 18-24" | Width: 18-24" | Zones: 3-8
Size: 20ct & 72ct Liners

- Finely textured fern
- Cresting extends the length of each frond

'Golden Anniversary'

Baptisia PPAF

False Indigo

Height: 30-36" | Width: 30-36" | Zones: 4-9

Size: #1 Grade Bare Root, 72ct Liners

- Color break combining golden yellow foliage with deep indigo blue flowers.
- Compact, nicely rounded ball of foliage on short legs

DECADENCE® 'Vanilla Cream II'

Baptisia PPAF CPBRAf

False Indigo

Height: 3½' | Width: 3-3½' | Zones: 4-9

Size: #1 Grade Bare Root, 72ct Liners

- An improvement on 'Vanilla Cream', this new selection maintains the same compact, well-rounded shape while blooming earlier with longer inflorescence.
- Dark charcoal stems hold dramatic 16-18" panicles of creamy white flowers

MONARCH® 'Cherry Royale'

Buddleia PPAF

Butterfly Bush

Height: 4-4½" | Width: 4½" | Zones: 5-10

Size: 20ct & 72ct Liners

- Very bright rose pink flowers. Not quite as "cherry" in hue as Prince Charming
- Large panicles at 8" long
- Strong bloom presence with flowers appearing late into the season
- Blue green leaves

MINI MARVELS™ 'Midnight'

Campanula carpatica PPAF CPBRA

Carpathian Bellflower

Height: 6-8" | Width: 10-12" | Zones: 3-8

Size: 30 & 72ct Liners

- Each member of the series is exceptionally compact; perfect for tucking into small areas or lining the front of the border
- Incredibly dark violet-blue flowers
- Long season of bloom
- New genus for Proven Winners Perennials

MINI MARVELS™ 'Starbright'

Campanula carpatica PPAF CPBRA

Carpathian Bellflower

Height: 6-8" | Width: 10-12" | Zones: 3-8

Size: 30 & 72ct Liners

- Each member of the series is exceptionally compact; perfect for tucking into small areas or lining the front of the border
- Pure white flowers
- Long season of bloom
- New genus for Proven Winners Perennials

MINI MARVELS™ 'Twilight'

Campanula carpatica PPAF CPBRAf

Carpathian Bellflower
 Height: 6-8" | Width: 10-12" | Zones: 3-8
 Size: 30 & 72ct Liners

- Each member of the series is exceptionally compact; perfect for tucking into small areas or lining the front of the border
- Indigo blue flowers with white interiors
- Long season of bloom
- New genus for Proven Winners Perennials

'Angel Bells'

Campanula glomerata PP31465

Clustered Bellflower

Height: 14-18" | Width: 16-20" | Zones: 5-8

Size: 30 & 72ct Liners

- These long blooming perennials are a great source of late spring and early summer color
- Well-formed clusters of white flowers.
- New genus for Proven Winners Perennials

'Bells and Whistles'

Campanula glomerata PPAF CPBRAFF

Clustered Bellflower

Height: 24-28" | Width: 22-26" | Zones: 5-8

Size: 30 & 72ct Liners

- These long blooming perennials are a great source of late spring and early summer color
- Dark violet-blue flowers. Very upright. Later to bloom than other *C. glomerata*.
- New genus for Proven Winners Perennials

Royal Hawaiian® 'Waikiki'

Colocasia esculenta PP34615

Elephant Ear

Height: 36" | Width: 36" | Zones: 7b-11

Size: 20ct Liners

- Deep green leaves have wide creamy white markings with pink veins
- Dark burgundy stems

'Creamy Calico'

'Golden Needles'

'Heartstrings'

'Scarlet Ribbons'

DESIGNER THREADS™ *Coreopsis verticillata*

Mid-size series of threadleaf Coreopsis

Excellent mildew resistance

Exposure: Full Sun | Blooms: Early to Late Summer | Zone: 4-9 | Height: 16-20" | Space: 18-24"

DESIGNER THREADS™ 'Creamy Calico'

Coreopsis verticillata PPAF CPBRA F

Threadleaf Coreopsis, Whorled Coreopsis

Height: 16" | Width: 26" | Zones: 4-9

Size: 30ct & 72ct Liners

- Light yellow flowers with a clear defined deep maroon eye – 1.5" flowers
- Mid-size series of threadleaf Coreopsis
- Excellent mildew resistance
- New genus for Proven Winners Perennials

DESIGNER THREADS™ 'Golden Needles'

Coreopsis verticillata PPAF CPBRAf

Threadleaf Coreopsis, Whorled Coreopsis

Height: 18-20" | Width: 20-22" | Zones: 4-9

Size: 30ct & 72ct Liners

- Golden/butter yellow flowers with a sharp maroon center – large flowers 2"
- Mid-size series of threadleaf Coreopsis
- Excellent mildew resistance
- New genus for Proven Winners Perennials

DESIGNER THREADS™ 'Heartstrings'

Coreopsis verticillata PPAF CPBRAf

Threadleaf Coreopsis, Whorled Coreopsis

Height: 18-20" | Width: 24" | Zones: 4-9

Size: 30ct & 72ct Liners

- Cream flowers have a dark reddish pink eye that covers nearly the entire petal. Large flowers 2"
- Mid-size series of threadleaf Coreopsis
- Excellent mildew resistance
- New genus for Proven Winners Perennials

DESIGNER THREADS™ 'Scarlet Ribbons'

Coreopsis verticillata PPAF CPBRA F

Threadleaf Coreopsis, Whorled Coreopsis

Height: 16-18" | Width: 16-18" | Zones: 4-9

Size: 30ct & 72ct Liners

- Incredibly large, velvety maroon red flower 1.5" wide
- Mid-size series of threadleaf Coreopsis
- Excellent mildew resistance
- New genus for Proven Winners Perennials

'Dancing Embers'

'Orchid Flash'

'Pink Radiance'

'Razzle Dazzle'

KALEIDOSCOPE™ *Delosperma*

A new series of *Delosperma* for Proven Winners® Perennials. Notable for large flower sizes and cold hardiness. Members of this series have reliably overwintered in Zone 6, West Michigan climates for multiple years prior to selection. Evergreen foliage creates year round interest; useful as a groundcover.

Exposure: Full Sun | Blooms: Late Spring to Early Summer | Zone: 5b-10 | Height: 2-4" | Space: 20-24"

KALEIDOSCOPE™ 'Dancing Embers'

Delosperma PPAF CPBRAf

Hardy Ice Plant

Height: 2-4" | Width: 20-24" | Zones: 5b-10

Size: 30ct & 72ct Liners

- Reddish orange blooms are almost completely solid in color; cream centers
- Medium green succulent foliage
- New genus for Proven Winners Perennials

KALEIDOSCOPE™ 'Orchid Flash'

Delosperma PPAF CPBRAf

Hardy Ice Plant

Height: 2-4" | Width: 20-24" | Zones: 5b-10

Size: 30ct & 72ct Liners

- Dark lavender-pink flowers with long, narrow petals; cream centers
- Medium green succulent foliage
- New genus for Proven Winners Perennials

KALEIDOSCOPE™ 'Pink Radiance'

Delosperma PPAF CPBRAf

Hardy Ice Plant

Height: 2-4" | Width: 20-24" | Zones: 5b-10

Size: 30ct & 72ct Liners

- Light pink flowers surround rosy purple centers
- Medium green succulent foliage
- New genus for Proven Winners Perennials

KALEIDOSCOPE™ 'Razzle Dazzle'

Delosperma PPAF CPBRAf

Hardy Ice Plant

Height: 2-4" | Width: 20-24" | Zones: 5b-10

Size: 30ct & 72ct Liners

- Bi-color raspberry red flowers transition to fuchsia purple around cream centers
- Medium green succulent foliage
- New genus for Proven Winners Perennials

'Mini Pinks'

Delphinium

Hybrid Bee Delphinium
Height: 2½-3' | Width: 1½-2' | Zones: 3-7
Size: 30ct & 72ct Liners

- Pink color mix of the popular strain 'Mini Stars' from New Zealand Delphiniums

'White Diamonds'

Dicentra PPAF CPBRA

Fern-leaved Bleeding Heart

Height: 10-12" | Width: 16-18" | Zones: 3-9

Size: 20ct & 72ct Liners

- White flowering version of 'Pink Diamonds'
- Alpine type that thrives in full sun with good drainage
- Blooms all summer, starting before Memorial Day going through Labor Day

DOUBLE CODED® 'Everything's Rosy'

Echinacea PPAF CPBRAE

Coneflower

Height: 24" | Width: 20" | Zones: 4-8

Size: 30ct & 72ct Liners

- 4" soft pink flowers are double - poms are rosy pink with soft pink ray petals
- Overlapping ray petals

'Cranberry Dancer'

Epimedium PPAF

Barrenwort

Height: 18-24" | Width: 24-36" | Zones: 5-8

Size: 30ct Liners

- Cranberry red sepals and centers turn yellow at the wingtips
- Sepals are edged in cream; well defined picotee look
- Long green leaves are speckled with burgundy

'Dream Catcher'

Epimedium PPAF

Barrenwort

Height: 18-24" | Width: 24-36" | Zones: 5-8

Size: 30ct Liners

- Rosy red sepals accent large yellow wings
- Bright green leaves are speckled with burgundy

'Jester's Hat'

Epimedium PPAF

Barrenwort

Height: 18-24" | Width: 24-36" | Zones: 5-8

Size: 30ct Liners

- Fantastic contrast between red sepals and yellow flowers
- Green leaves have some bronzing

'Touch of Blush'

Heliopsis helianthoides PPAF CPBRAE

False Sunflower

Height: 18-20" | Width: 16-20" | Zones: 4-9

Sizes: #1 Grade Bare Root, 72ct Liners

- Variegation has blush tones that are most notable during the spring
- Dark stems hold golden yellow flowers with orange centers
- Excellent mildew resistance

'Another Brick in the Wall'

Hemerocallis

Daylily

Height: 22" | Width: 18-24" | Zones: 3-9

Size: #1 & #2 Grade Bare Root

- Only Available for 2024-2025
- 5" rouge red flowers, bright gold throat compliments the brick red petals nicely
- Fairly compact for a large flowering type
- Midseason blooming

RAINBOW RHYTHM® 'Fearfully and Wonderfully Made' *Hemerocallis*

Daylily

Height: 26" | Width: 18-24" | Zones: 3-9

Size: #1 & #2 Grade Bare Root

- Mid size, fancy daylily
- 5½" coral pink flowers have cranberry red eyes
- Slightly ruffled cranberry margin is trimmed with a yellow edge
- Well-branched scapes with lots of buds lead to excellent rebloom
- Fragrant

'Inscribed on My Heart'

Hemerocallis

Daylily

Height: 26" | Width: 18-24" | Zones: 3-9

Size: #1 & #2 Grade Bare Root

- Only Available for 2024-2025
- Large 7" flowers are a clear ivory with large purple eyes and margins.
- Long narrow petals are nicely ruffled.
- Fragrant

'Jane Trimmer'

Hemerocallis

Daylily

Height: 25" | Width: 18-24" | Zones: 3-9

Size: #1 & #2 Grade Bare Root

- 5" flowers are pale lavender with purple eyes so dark as to appear black. A matching picotee edge rings the petals.
- Early-midseason bloomer with good rebloom

'Momentary Bliss'

Hemerocallis

Daylily

Height: 24" | Width: 18-24" | Zones: 3-9

Size: #1 Grade Bare Root

- Only Available for 2024-2025
- 6" flowers
- Orchid-pink with dark raspberry eye. Matching dark raspberry edge which is wrapped in lemon yellow

'Pooh Bear'

Hemerocallis

Daylily

Height: 32" | Width: 18-24" | Zones: 3-9

Size: #1 & #2 Grade Bare Root

- Intense 4.5" golden orange flowers with a burgundy eye
- Taller, averaging 30 buds per scape!
- Early midseason
- Robust grower

'Rich In Mercy'

Hemerocallis

Daylily

Height: 28" | Width: 18-24" | Zones: 3-9

Size: #1 & #2 Grade Bare Root

- Only Available for 2024-2025
- 5½" purple flowers have a lavender watermark with a white edge. Flowers are very clean and hold up well in the sun for a dark color
- Exceptionally wide petals
- Fragrant

'Singular Sensation'

Hemerocallis

Daylily

Height: 28" | Width: 18-24" | Zones: 3-9

Size: #1 & #2 Grade Bare Root

- 6" wide flowers are blushing pink with heavily ruffled golden yellow margins
- Early midseason bloomer
- This is one of our best reblooming varieties with color through September
- Very high bud count on well branched scapes

←-----→

'Through a Glass Darkly'

Hemerocallis

Daylily

Height: 32" | Width: 18-24" | Zones: 3-9

Size: #1 & #2 Grade Bare Root

- Only Available for 2024-2025
- 5½" purple flowers have a lavender watermark and ruffled edges
- Fragrant
- Excellent bud count and rebloom

DRESSED UP[®] 'Prom Dress'

Heuchera PPAF CPBRAE

Coral Bells

Height: 8-10" | Width: 16-18" | Zones: 4-9

Size: 20ct & 72ct Liners

- Very ruffled pewter leaves with dark charcoal veining
- Newer leaves are tinged "flushed" with violet color
- 4.5-5" leaves have a matte finish

FUN AND GAMES® 'Shadow Tag'

Heuchera PPAF CPBRA F

Foamy Bells

Height: 10-12" | Width: 16-18" | Zones: 4-9

Size: 20ct & 72ct Liners

- Silvery leaves with deep black red centers and green veining
- Salmon pink flowers, very attractive

SUMMERIFIC® 'Cookies and Cream'

Hibiscus PPAF CPBRA

Hardy Hibiscus, Rose Mallow
Height: 2½-3' | Width: 3½-4' | Zones: 4-9
Size: #1 Grade Bare Root, 72ct Liners

- Near black matte leaves are deeply dissected
- Green buds open to 6" wide pure white flowers
- One of our most compact Hardy Hibiscus intros to date

Hibiscus 'Cookies and Cream'

'Dancing in the Moonlight'

Hosta PPAF

Hosta

Height: 18" | Scape: 22-29" | Width: 29" | Zones: 3-9

Size: 20ct & 72ct Liners

- Extremely ruffled variegated margins on wedge-shaped leaves
- Blue-green leaves with a creamy margin
- Deeply folded and intensely wavy overall with twisted leaf tips
- Rippling and folding of the leaves almost touches at points
- AHGA Size Classification: Medium

'Emperor's New Clothes'

Hosta PPAF

Hosta

Height: 21" | Scape: 21-32" | Width: 41" | Zones: 3-9

Size: 20ct & 72ct Liners

- Unusual speckled leaf variegation; greenish white with very dark green flecks
- Most white in the spring, gaining more flecks as the season progresses
- Leaves emerge nearly white in spring, as the season progresses color transitions to chartreuse with darker flecks
- Great vigor
- AHGA Size Classification: Large

SHADOWLAND® 'Gigantosaurus'

Hosta PP35135 CPBRAJ

Hosta

Height: 30" | Width: 76" | Zones: 3-9

Size: 20ct & 72ct Liners

- Highly requested giant-sized hosta
- Very pronounced variegation on massive leaves
- Pale lavender flowers first begin appearing in early summer and are held just above the foliage
- Empress Wu-size with a wide chartreuse margin

SHADOWLAND® 'Lone Star'

Hosta PP35234 CPBRAE

Hosta

Height: 26" | Width: 52" | Zones: 3-9

Size: 20ct & 72ct Liners

- Highly requested large sized hosta
- Bright filtered shade draws out the most intense gold coloration in the margin
- Near white flowers are held well above the foliage on tall scapes in early summer

'My Fair Lady'

Hosta PPAF

Hosta

Height: 17" | Scape: 24-30" | Width: 38" | Zones: 3-9

Size: 20ct & 72ct Liners

- Symmetrical, upright display of thick tri-colored leaves with upright flower scapes that are nicely proportional to the clump size
- Intermediate green streaks between center and margin colors
- Flat leaves display a melody of colors; cream centers turn white as summer progresses
- AHGA Size Classification: Medium

SHADOWLAND® 'Sound of Music'

Hosta PP35563 CPBRAE

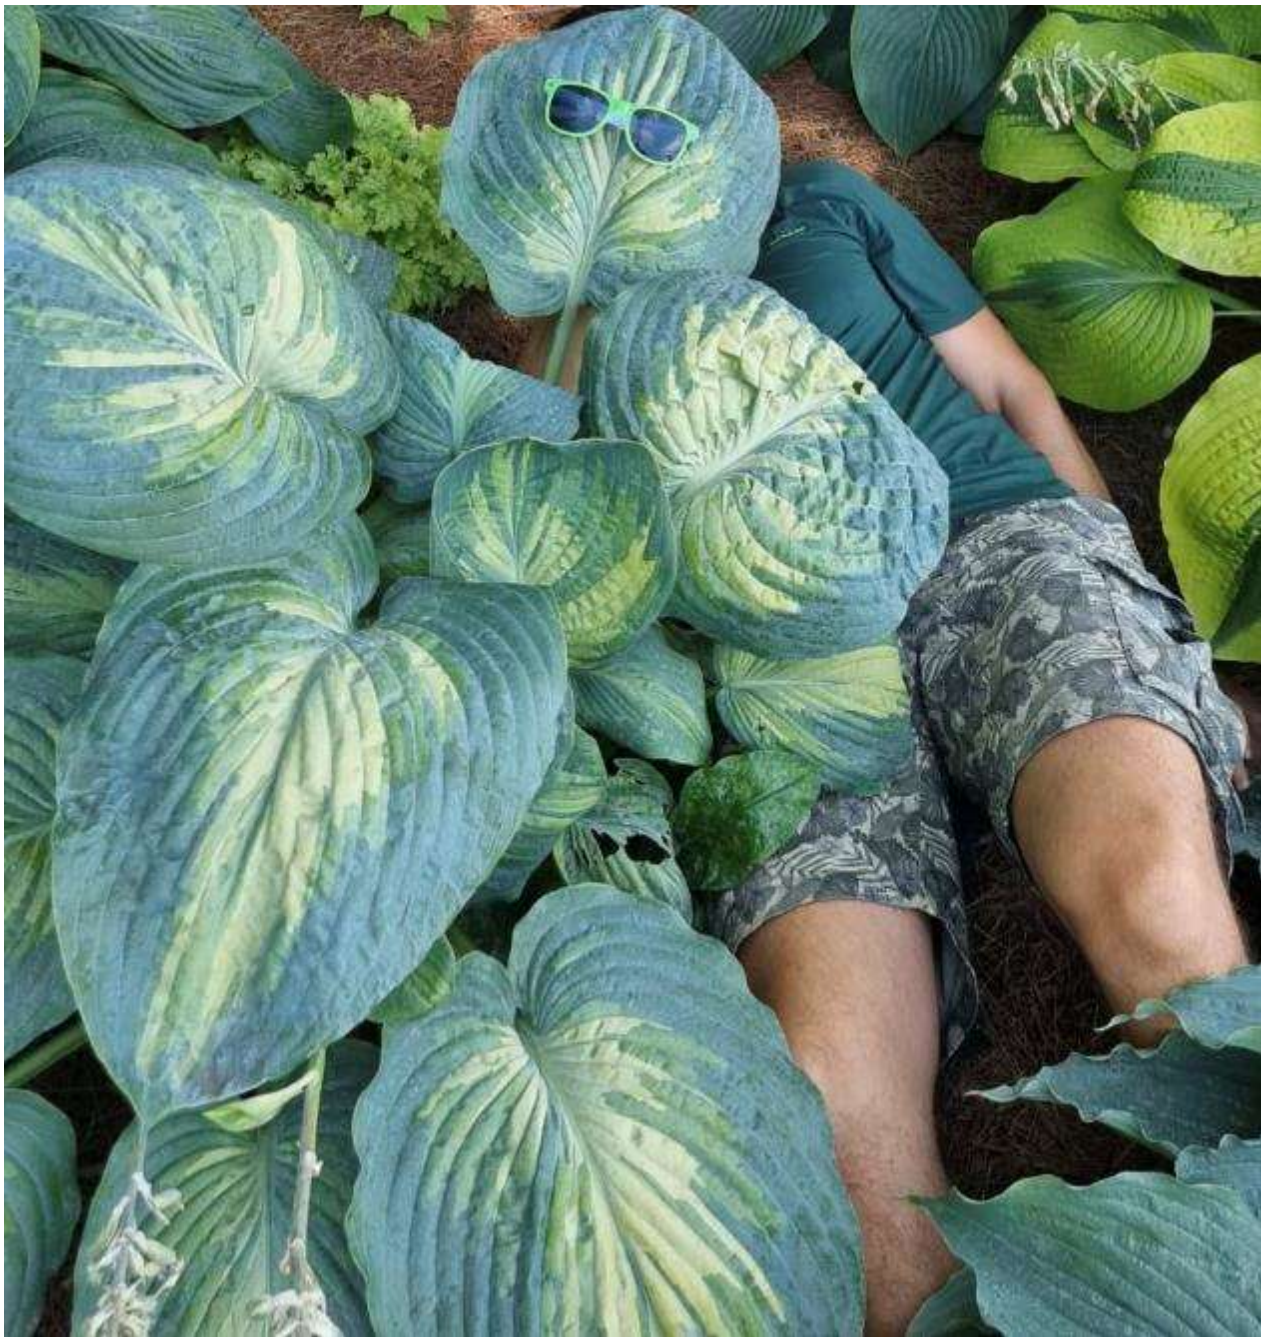

Hosta

Height: 30" | Width: 63" | Zones: 3-9

Size: 20ct & 72ct Liners

- Highly requested giant sized hosta
- Chartreuse centers jet to glaucous blue-green margins; centers mature to creamy white in summer
- In early summer large clusters of near white flowers will have birds and pollinators singing in the shade garden
- 'Sound of Music' has the queen of hostas in the background, 'Empress Wu', so you know it's going to get big!

Hosta
'Sound of Music'

'Pinkerton'

Iris ensata

Japanese Iris

Height: 36" | Width: 24-28" | Zones: 4-9

Size: #1 Grade Bare Root

- Pink crests arch above six bands of showy falls with dark veining and rippled edges.
- Bloom size on 'Pinkerton' is consistent with other Japanese Iris at 7" wide, nearly twice the size of some Siberian Iris.
- These plants are later to bloom, sometimes not flowering until a month after Siberian Iris have started.

'Eye Liner'

Iris pseudata PPAF

Pseudata Iris

Height: 34-38" | Width: 28-32" | Zones: 4-9

Size: #1 Grade Bare Root

- Sterile interspecific hybrid of *I. pseudocorus* and *I. ensata*
- A very robust and vigorous looking clump.
- Flowers are pearl white with yellow flares and edged with a violet eye zone that radiates to the margin

'Lavender Glowsticks'

Liatris pycnostacha

Prairie Blazing Star
Height: 4' | Width: 1½-2' | Zones: 3-9
Size: #1 Grade Bare Root

- Seed strain with dark foliage and a strong upright stem
- Tall flower stalks are 50% of the plant's total height
- North American native perennial; excellent for pollinators and heavy clay soils

'Half Pint'

Panicum virgatum PPAF

Switch Grass

Height: 3' | Width: 1½-2½' | Zones: 4-9

Size: 30ct & 72ct Liners

- Shorter variety
- Dark rosy red seedheads in fall

BEJEWELED™ 'Pink Pearls'

Penstemon barbatus PPAF CPBRAFF

Beardtongue

Height: 16-20" | Width: 20-24" | Zones: 5-8

Size: 30ct & 72ct Liners

- Pink tubular flowers. Lots of flowers fill in the habit
- Lots of *P. barbatus* types have small flowers and gaps on stems, this has large flowers and produced tightly on the flower stem

BEJEWELED™ 'Rose Rhinestones'

Penstemon barbatus PPAF CPBRAf

Beardtongue

Height: 14-16" | Width: 20-24" | Zones: 5-8

Size: 30ct & 72ct Liners

- Bright, deep rose pink flowers
- Lots of *P. barbatus* types have small flowers and gaps on stems, this has large flowers and produced tightly on the flower stem

LUMINARY® 'Pink Lightning'

Phlox paniculata PPAF CPBRAE

Tall Garden Phlox

Height: 18-22" | Width: 22-24" | Zones: 4-8

Size: #1 Grade Bare Root, 72ct Liners

- Distinct color, white central halo. Mildew free in mid-September, keeps going like the energizer bunny. Not cut back, just keeps blooming
- Bright salmon pink flowers. Unique wide white eye

GARDEN GIRLS® 'Dream Girl'
Phlox paniculata PPAF

Tall Garden Phlox
Height: 30-36" | Width: 20-24" | Zones: 3-8
Size: #1 Grade Bare Root & 72ct Liners

- Later to flower
- Bright lavender pink white eye
- Tight, vase-shaped habit
- Rich green foliage has good mildew resistance

LIVING LARGE™ 'Big Sky'

Salvia PPAF CPBRA F

Perennial Salvia, Garden Sage

Height: 32" | Width: 32" | Zones: 3-8

Size: #1 Grade Bare Root, 72ct Liners

- Exceptionally large Salvia, pratensis-type
- Large flowers appear above a rosette of large, deep green leaves
- Later to bloom
- Purple buds opens to light purple flowers, appearing two-toned

PRAIRIE WINDS® 'Brush Strokes'

Schizachyrium scoparium PPAF CPBRAE

Little Bluestem

Height: 32-36" | Width: 22-26" | Zones: 3-9

Size: 30 & 72ct Liners

- Low wide, very blue
- Rigidly upright
- Skirting around the base gives a full shape, contrasting Blue Paradise which has a vase-shape

'Apple Slices'

Spigelia marilandica PPAF CPBRAf

Spigelia

Height: 20" | Width: 16-18" | Zones: 5b-9

Size: #1 Grade Bare Root, 72ct Liners

- Darkest red we have to date - wine red
- One of the most vigorous out there
- New genus for Proven Winners Perennials

TOTALLY STOKED™ 'Riptide'

Stokesia laevis PPAF CPBRAf

Stoke's Aster

Height: 24-26" | Width: 32-36" | Zones: 5-9

Size: 30ct & 72ct Liners

- Matching big size of 'Whitecaps' but with 3" indigo flowers
- Good basal branching creates numerous flowers from early to late summer, completely covering the plant
- Thrives in the heat and humidity of southern summers
- New genus for Proven Winners Perennials

TOTALLY STOKED™ 'Whitecaps'

Stokesia laevis PPAF CPBRAf

Stoke's Aster

Height: 24-26" | Width: 32-36" | Zones: 5-9

Size: 30ct & 72ct Liners

- Near white flowers have a soft pink cast
- Good basal branching creates numerous flowers from early to late summer, completely covering the plant
- Thrives in the heat and humidity of southern summers
- New genus for Proven Winners Perennials

'Cotton Candy'

Thalictrum PPAF CPBRAf

Meadow Rue

Height: 38-42" | Width: 18-24" | Zones: 5-8

Size: 20 & 72ct Liners

- *T. aquilegifolium* – very upright plant with clusters of wispy flowers at the top. Thalictrum can often be leggy but this has flowers just above the foliage
- Columnar – good height for small spaces!
- Thick, full clusters of lavender flowers
- New genus for Proven Winners Perennials

'Webmaster'

Tradescantia PPAF CPBRA

Spiderwort

Height: 18" | Width: 24" | Zones: 3-9

Size: #1 Grade Bare Root, 72ct Liners

- Two inch wide two tone flowers have warm purple centers that transition to a light lilac by the petal's edge
- Long blooming , with flowers remaining open for a long time
- Foliage stays fresh through fall
- New genus for Proven Winners Perennials

'Webmaster' field trial

'Webmaster' foliage in late summer

PW
PROVEN
WINNERS[®]
The #1 Plant Brand.™

'Da Vinci Delight'

Veronica PPAF

Spike Speedwell

Height: 18-20" | Width: 24-28" | Zones: 4-8

Size: #1 Grade Bare Root, 72ct Liners

- Soft lilac purple flowers open from light colored buds
- Dark green, mildew resistant foliage
- Excellent branching to extend bloom
